Kick-Off
Summer 2025

White-box AI Research Discussion

Today's Plan (15:00 - 16:00 CEST)

- **(0-5 min)** Welcome & Introduction
- **(5-35 min)** Research Round Robin / Introductions
- **(35-50 min)** Open Forum: "Status Quo & What's Next?"
- **(50-55 min)** Synthesize & Next Steps
- **(55-60 min)** Final Q&A & Wrap-up

Let's keep it interactive and focused!

Let's Get Started! (~2-3 min each)

Please share:

1. **Your Name & Affiliation**
2. **Primary Research Area** (within AI/ML)
3. **One specific problem/question** you're currently working on OR **one technique/tool/paper** you're excited about.
4. *(Optional)* What kind of topic would you like to hear about this summer?

Open Forum: Status Quo & What's Next?

Let's discuss:

- Common themes or interests that emerged?
- Interesting challenges mentioned?
- Potential topics for future sessions?
    - *What specific areas are most relevant/exciting?*
- Any sparks for collaboration?

(Feel free to use the chat or raise your hand)

What's Next?

- **Thank You!** For your participation and ideas.
- **Next Session:** Tuesday, May 6th, 15:00 CEST (Regular format: Presentation + Q&A)
- **Call for Speakers:** Interested in presenting? Please get in touch! (julian.rosenberger@ur.de)
- **Topic Ideas:** We'll use today's input to shape the schedule.
- **Website:** https://whiteboxai.github.io/research-discussions/

Thank You!

Looking forward to a great summer of discussions!
